Dixie At 50

More Growth Projected For Lexington's Furniture Giant

By VIKKI BROUGHTON
Staff Reporter

When Henry Link organized Dixie Furniture Company in Lexington in October of 1936, there were 86 employees, five salesmen and 300 omers. The company had two plants with a of 90,000 square feet located on 2¼ acres of and first year sales of $440,000.
w, 50 years later, Dixie and its younger ates — the Henry Link, Link-Taylor and g-Hinkle corporations — officially named gton Furniture Industries but often referred the Dixie family," have approximately 4,500 yees, more than 100 salesmen and 10,000 bers.
e are 10 plants and an 11th under action, which will bring the total floor space he company's buildings to 7 million square l the plants are in the Lexington area, with ption of one plant in Asheboro that employs

Lexington Home Brands celebrates 100 years

Oct 13, 2021

BY VIKKI BROUGHTON HODGES
The Dispatch

THOMASVILLE — With 3,600 small American flags planted on the lawn to represent its employees, Lexington Home Brands officials and invited guests celebrated the 100th anniversary of the furniture manufacturer's founding Wednesday night at a party at the showroom on National Highway.

ee related market tory on TIA.

On the eve of the official opening day of the International Home Furnishings Market, leaders of exington Home Brands said it was appro-iate to take time to recognize the com-ny's achievements.

"We see a very bright future ... cause of the spirit of the people in this mpany, from the founders to today," said b Stec, president and chief executive icer of Lexington Home Brands. He ed that the company persevered ugh the Depression and wars and will tinue to move forward in a sluggish nomy and despite the new war on ter-m.

tec also said he was proud of the com-'s employees who have helped the facturer grow steadily from a region-ducer of bedroom furnishings to an try style and brand leader.

lling Lexington Home Brands "the center point of our economy," gton Mayor Richard Thomas read a nation from the city council prais-county's largest employer and the company "continued success ext 100 years."

nasville Mayor Hubert Leonard, d adjutant general of the N.C. Guard, also praised Lexington nds and the patriotism evident at any and around the U.S. He also
